

# Woodruff Weekly Updates

## **Happy Tuesday Advisory Families,**

Thanksgiving always reminds me of how much we have to be thankful for! I am so grateful I get to spend each day in such a supportive and welcoming community. I hope you all have a wonderful Thanksgiving break with lots of family, food and memories!

### **Adopt-a-Family:**

Once again this year, the CSPA middle school student government will be collecting items to provide families in need within the CSA community a Thanksgiving meal. Each advisory will collect and assemble a basket. We are in need of someone in our advisory to donate a turkey. If you're able and willing to provide a turkey for our basket, please just send me an email as confirmation. Please send your contributions in with your student by **5Thursday, November 16<sup>th</sup>**. We appreciate all that you can do to help contribute. Thank you!

### **CURTAIN UP!**

Carrying on the tradition of affording our students culturally enriching experiences, we will be performing a matinee show of "Mary Poppins Jr" for CSPA students on Thursday, November 15<sup>th</sup>. The cost is \$10.00 and students will be bused to the Hartland Performing Arts Center for the performance. If your child has not already turned in their permission slip, there are still seats available, please submit your paper work and money as soon as possible. Due to limited seating, the matinee is not open to the public.

### **Mary Poppins Jr Evening Performances**

We made it! This week is CSPA's production of Mary Poppins Jr. It has been such a joy to rediscover the magic of Mary Poppins with a new generation of performers. We hope you are ready to clap your hands and "Step in Time" with us as we bring this magical world to life. Throughout our journey we have experienced many "Spoons full of Sugar" and just a few doses of "Brimstone and Treacle," and we could not be more excited to be performing here for you tonight.

Throughout this year's musical season, we have been absolutely swept away by the power of the CSA community. We would like to express our sincere gratitude to our remarkably dedicated and talented cast, our back stage crew, the most supportive production staff we could hope for and our amazing CSA parents. This magical journey belongs to all of us.

Consider coming out this week to see our show! Together, we have experienced the wonder of transformation as we worked to bring this "Practically Perfect" show to the stage.
